WEBSITE DEVELOPMENT · SOCIAL MEDIA MANAGEMENT

Websites that *sell.* Social that *grows.*

New websites, e-commerce stores and redesigns of old sites — plus social media that keeps your brand visible where your customers are.

01 E-commerce websites

02 Dynamic company websites

03 Website redesign

04 Social media management

01 — ABOUT US

A digital studio built to *grow your business.*

Codeverse designs and builds high-performing websites and online stores, gives outdated websites a modern new life — and keeps brands visible with consistent, on-brand social media. One team for your website and your social presence.

WHAT WE DO

Social Media

WHAT WE BUILD

New websites & redesigns

Online stores, dynamic company websites and modern redesigns of old sites — fast, mobile-first and ready for Google.

HOW WE GROW YOU

Social media management

Monthly posters and reels for Instagram, Facebook, X and LinkedIn — planned, designed and posted for you.

02 — WEBSITE DEVELOPMENT

Websites engineered to *convert.*

From complete online stores to company websites you can update yourself — every site is fast, mobile-first and built to turn visitors into enquiries and sales.

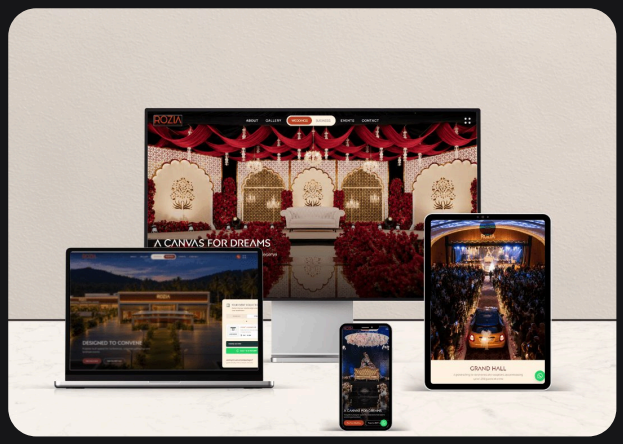

01

E-Commerce Websites

Complete online stores in one simple dashboard.

- ✓ Product catalogue & smart filters
- ✓ Quick checkout, online payments & COD
- ✓ Orders, inventory & delivery zones
- ✓ Offers, coupons & sales reports

02

Dynamic Company Websites

Websites your team can update in a few clicks.

- ✓ Admin dashboard for pages & galleries
- ✓ Enquiry forms & WhatsApp leads
- ✓ Blog, news & careers pages
- ✓ Multi-language & SEO-ready

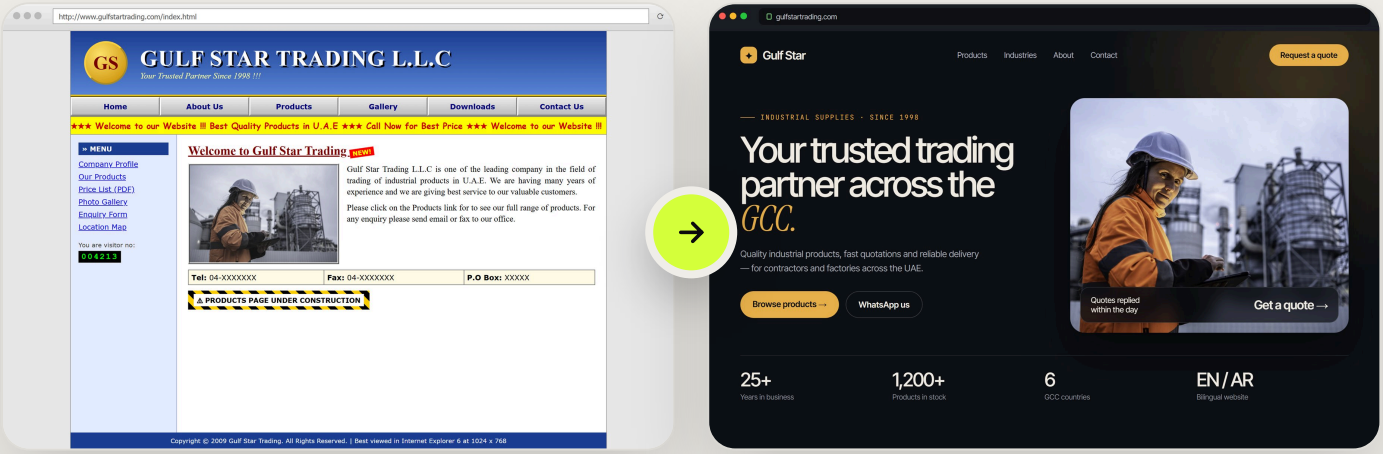

INCLUDED IN EVERY WEBSITE

- ✓ Mobile-first design
- ✓ Fast & SEO-ready
- ✓ Easy admin panel
- ✓ English & Arabic (RTL)
- ✓ WhatsApp & enquiry forms
- ✓ SSL, backups & analytics

03 — WEBSITE REDESIGN

Old website? Let's make it *new again.*

We turn outdated, slow or hard-to-update websites into modern, fast, mobile-friendly platforms — while keeping your content, domain and Google rankings safe.

BEFORE — OUTDATED · SLOW · NOT MOBILE

AFTER — MODERN · FAST · BILINGUAL

SIGNS IT'S TIME FOR A REDESIGN

- Not mobile-friendly
- Slow to load
- Looks outdated
- Hard to update
- Not found on Google
- Few or no enquiries

WHAT YOU GET

A modern, mobile-first design
Fresh look that builds instant trust.

Content & rankings kept safe
Smart redirects so you don't lose Google traffic.

An easy admin panel
Update pages yourself — no more waiting.

Faster, more secure hosting
SSL, backups and speed optimisation.

04 — HOW WE WORK

From idea to *launch* — clearly.

A simple, transparent process with one point of contact and regular previews at every stage.

01

Discover

We understand your business, customers and goals.

02

Design

Page layouts and visual design for your approval.

03

Develop

We build, connect payments and test on every device.

04

Launch & train

Go live, then we train your team on the admin panel.

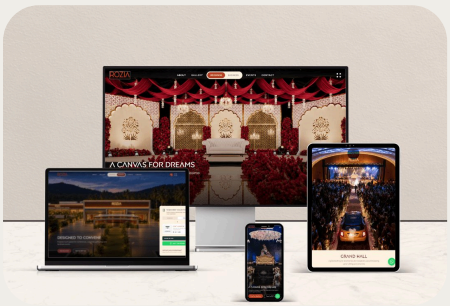

AFTER LAUNCH

Website care *(AMC)*

An annual maintenance plan that keeps your website safe, fast and up to date.

06 — SOCIAL MEDIA MANAGEMENT

Stay visible.
Every single week.

We plan, design and post content that matches your brand — so your page stays active while you focus on your business.

WHAT'S INCLUDED

- ✓ **Monthly content calendar**
  Every post planned and approved in advance.
- ✓ **Branded posters**
  Offers, launches, festivals and announcements.
- ✓ **Attractive reels**
  Short videos with music, captions and motion.
- ✓ **Captions & hashtags**
  In English and Arabic for your audience.
- ✓ **Posting & scheduling**
  Published at the best times on every platform.
- ✓ **Monthly report**
  Reach, engagement and growth — simply explained.

07 — PLANS

Monthly plans or *one-off designs.*

Choose a monthly plan for consistent growth, or order individual posters and reels whenever you need them.
